WHAT IS A CHAMBER BYTES PARTNER?

Devon & Plymouth Chamber's weekly e-newsletter, Chamber Bytes, goes out to over 1800 business individuals across the region.

The newsletter is designed primarily to promote the good news of our members and to support organisations in the South West to feel connected and informed.

As we grow, our digital reach is increasing and with that comes more engagement. To become a partner of Chamber Bytes is an opportunity for you to gain exposure and amplify your customer interaction.

The package is perfect for businesses looking to increase their brand reach or to promote a campaign, event or achievement.

WHAT THE PACKAGE OFFERS
